## A-3570

## A-3571

LE RECOMENDAMOS LEA LAS INSTRUCCIONES ANTES DE PROCEDER A LA INSTALACIÓN.  
GUARDE LAS INSTRUCCIONES PARA FUTURAS REFERENCIAS.

- \* Asegúrese de que la corriente está desconectada antes de conectar el aparato.
- \* El montaje de luminarias debe ser efectuado solamente por personal técnico.
- \* No utilizar bombillas con potencia superior a la indicada en la etiqueta.
- \* Únicamente para uso en interiores.
- \* Para limpieza no utilizar alcohol ni disolventes

WE RECOMMEND TO READ THE INSTRUCTIONS ENTIRELY BEFORE STARTING YOUR INSTALLATION.  
PLEASE SAVE THESE INSTRUCTIONS SO THAT YOU CAN REFER TO THEM A LETER TIME.

- \* Make sure the power has been disconnected before installing the fixture.
- \* Lighting fixtures should be installed only by qualified personnel.
- \* Make sure the bulb never exceeds the maximum wattage especificed on the fixture label.
- \* For indoor use only.
- \* Do not use alcohol or disolvents to clean the lamp

**Atención: / Warning:**

No mirar directamente a los LED.  
Do not look directly into any LED source  
Bitte nicht direkt in die LED schauen  
Ne regardez jamais les ampoules LED directement

**Instrucciones / Assembly instructions**

1- Desenroscar y liberar los dos tornillos (A) situados en la parte superior e inferior. Liberar la tapa (B). Figura 1.

1- Loosen and remove the two screws (A). Remove the cover plate (B). Figure 1.

1

## Instrucciones / Assembly instructions

2- Desplazar los drivers (C) hacia el exterior de la sujeción (D). Figura 2.

2- Move the drivers (C) from the mounting bracket (D). Figure 2.

2

3- Pasar los cables de red por el agujero (E) de la sujeción. Fijar la sujeción a la pared [tornillos no suministrados]. Conectar los cables de red en los forbox (F). Conectar el cable tierra en el lugar correspondiente. Figura 3.

3- Insert the electrical wires through the hole (E). Affix the mounting bracket to the wall [the screws are not provided]. Connect the electrical wires to the forbox (F). Make sure the ground wire is properly connected. Figure 3.

3

4- Sacar el protector de la cinta adhesiva de doble cara (G) y fijar los drivers (C) a los laterales, tan alejados de la pared como sea posible procurando dejarlos centrados verticalmente, de manera que el driver no sobresalga de la sujeción (D). Figura 4.

4- Remove the plastic film from the adhesive tape (G) and paste the drivers (C) to the sides, as far as possible from the wall trying to leave them vertically so that the drivers fit inside. Figure 4.

4

5- Colocar los forbox (F) con las conexiones entre los drivers (G) y la pared (H). Figura 5.

5- Put the forbox (F) with the connections between the drivers (G) and the wall (H). Figure 5.

5

## Instrucciones / Assembly instructions

6- Colocar la tapa (B) y fijarla con los tornillos (A).  
Figura 6.

6- Put the cover plate (B) back in place and fix it with the screws removed previously (A). Figure 6.

# 6

7- El encendido o apagado de la lámpara (función de interruptor) se ejecuta mediante los brazos (ambos brazos para el modelo A-3570, sólo el brazo corto para el modelo A-3571). Figura 7.

7- The arms serve as switch ON/OFF (both arms in the model A-3570, just the shortest in the model A-3571). Figure 7.
