7214 Pillar Table Light

7215 Pillar Floor Light

With roots dating back to the shipyards of nineteenth century London, Davey Lighting combines industrial design, traditional craftsmanship and the finest raw materials. Authentic and unique, lights are manufactured in England with the same attention to detail required for their original industrial purpose. Simplicity of design and choice of finish, including weathered brass and copper, polished aluminium and galvanised cast iron, make Davey lights equally suited to traditional or contemporary schemes.

LAMP GUIDANCE		
MODEL	TYPE	WATTAGE
7214	LED	10W
7215	LED	20W

Integral LED light source. DO NOT ATTEMPT TO REPLACE LAMP. In case of lamp failure contact original point of purchase.

Safety Instructions

These instructions are provided for your safety in order to prevent the risk of Fire, Electric shock or Injury. Please retain for future reference. When fitting is in operation, some parts will become hot; take care when using/handling.

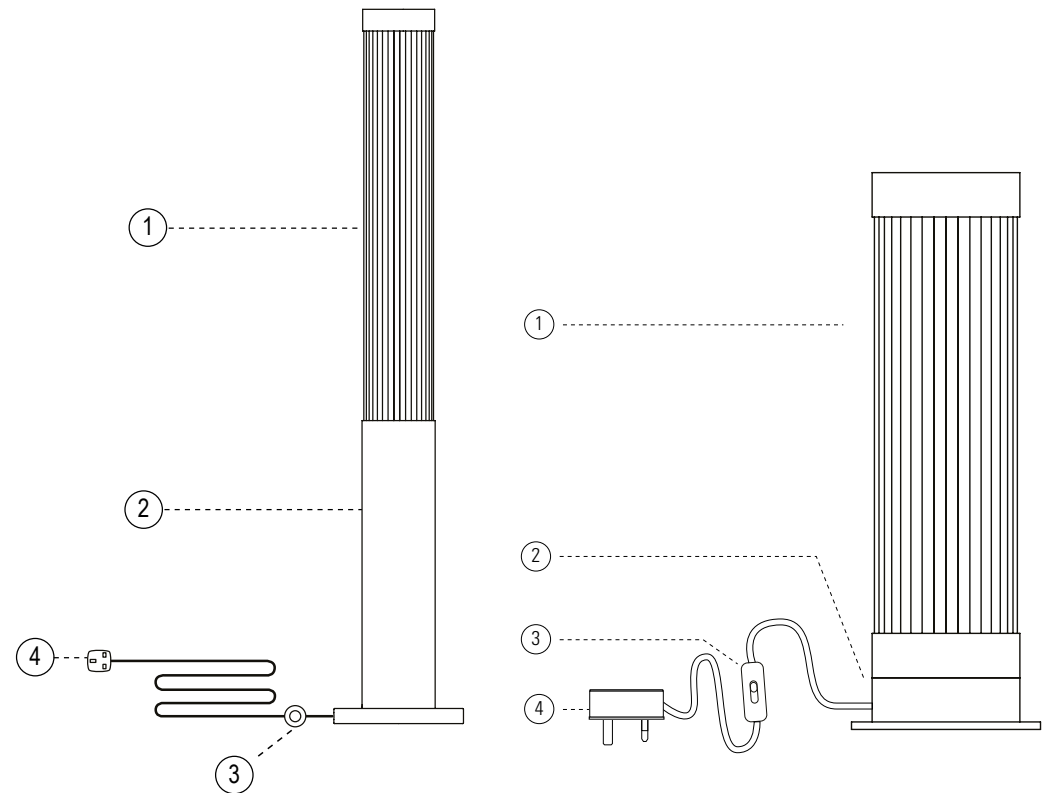

- Ensure the lamp type and max wattage is followed- do not exceed. Take care not to overtighten lamp.
- Do not touch the lamp (bulb) or lamp holder while in operation, as both become very hot.
- Turn off and unplug fitting, leaving lamp to cool before changing lamp. Dispose of old lamps carefully.
- Adjust light fitting only when power to the fitting is off and has been left to cool.
- Never leave a fitting without a lamp in position.
- Keep light fitting away from combustible materials such as soft furnishings.
- Ensure children do not play with the light fitting.
- Ensure the light is positioned on a solid, level and non-slip surface and make sure the position of the cable does not pose a trip hazard.
- If the electrical flex or electrical components become damaged at any point, the fitting must be unplugged from the power supply immediately and not operated until the damaged parts are fixed/replaced.
- For use in a dry, indoor environment only. Ensure the fitting does not come into contact with any liquids.

Cleaning and Maintenance

Metal finishes should only be cleaned with a soft, dry cloth. Do not use polishes or abrasives. Switch off power to the fitting before cleaning. Spare parts are available for this product, please see contact details on the reverse.

Adjusting Shade

- 1 - Glass rod shade
- 2 - Base
- 3 - In-line floor/cord switch
- 4 - UK plug

Unpacking

When unpacking your pillar floor light, do not lift from the top glazed section or pull this part up. Doing so will risk damaging the light. Lift from the base only.

Assembly

Your lamp will arrive fully assembled with integral LED light source. Plug your lamp into a mains socket and it is ready to use.
