\*\*\* Dimming performance may be unstable with LED bulbs. Please check with bulb manufacturer.  
Not suitable for use with CFL bulbs

## Safety Instructions

These instructions are provided for your safety in order to prevent the risk of Fire, Electric shock or Injury. Please retain for future reference. When fitting is in operation, some parts will become hot; take care when using/handling.

- Ensure the lamp type and max wattage is followed- do not exceed. Take care not to overtighten lamp.
- Do not touch the lamp (bulb) or lamp holder while in operation, as both become very hot.
- Turn off and unplug fitting, leaving lamp to cool before changing lamp. Dispose of old lamps carefully.
- Adjust light fitting only when power to the fitting is off and has been left to cool.
- Never leave a fitting without a lamp in position.
- Keep light fitting away from combustible materials such as soft furnishings.
- Ensure children do not play with the light fitting.
- Ensure the light is positioned on a solid, level and non-slip surface and make sure the position of the cable does not pose a trip hazard.
- If the external flexible cable or cord of this luminaire is damaged, it shall exclusively be replaced by the manufacturer or his service agent, or a similar qualified person, in order to avoid a hazard.
- For use in a dry, indoor environment only. Ensure the fitting does not come into contact with any liquids.

## Cleaning and Maintenance

Metal finishes should only be cleaned with a soft, dry cloth. Do not use polishes or abrasives. Bone China can be cleaned by hand, using a soft damp cloth with a diluted mild detergent (nonabrasive) if necessary. Switch off power to the fitting before cleaning.

When handling the light, always support from below - do not lift from the fabric shade.
