

Safety Instructions

These instructions are provided for your safety in order to prevent the risk of Fire, Electric shock or Injury. Please retain for future reference. When fitting is in operation, some parts will become hot; take care when using/handling.

- Ensure the lamp type and max wattage is followed- do not exceed. Take care not to overtighten lamp.
- Do not touch the lamp (bulb) or lamp holder while in operation, as both become very hot.
- Turn off and unplug fitting, leaving lamp to cool before changing lamp. Dispose of old lamps carefully.
- Never leave a fitting without a lamp in position.
- Keep light fitting away from combustible materials such as soft furnishings.
- Ensure children do not play with the light fitting.
- Ensure the light is positioned on a solid, level and non-slip surface and make sure the position of the cable does not pose a trip hazard.
- If the electrical flex or electrical components become damaged at any point, the fitting must be unplugged from the power supply immediately and not operated until the damaged parts are fixed/replaced.
- For use in a dry, indoor environment only. Ensure the fitting does not come into contact with any liquids.

Cleaning and Maintenance

Metal finishes should only be cleaned with a soft, dry cloth. Do not use polishes or abrasives. Bone china can be cleaned using a soft damp cloth with a mild detergent if necessary. Switch off power to the fitting before cleaning. Spare parts are available for this product, please see contact details on the reverse.

Adjusting Fitting

1 - Adjusting Shade

The angle of the shade can be adjusted- hold the stem, whilst tilting the shade into desired position.

2 - Adjusting Stem

- Loosen the handle of the clamp, by gently turning clamp almost one full turn in an anti-clockwise direction.
- Secure position by tightening handle of clamp firmly.
